WGOG-DB LET'S TALK!

If you don't succeed, we don't succeed!

Your audio commercial will be professional written, produced, and voiced by broadcasting school graduate Todd Bates.

Todd will contact you about your interests, goals, and budget and tailor your ad around those key factors. Todd has writing and produced hundreds of ad's for big brands and wants you to succeed! He simply cannot fail you!

"Todd created an ad for my candle business and my profits nearly doubled!"

The process is simple, Todd will provide you with a template which showcases your business, products or services, and advise you wish programing and time slots would achieve the best results for you. You are only required to sit back, be patient, and watch your profits grow!

You can advertise just about anything on the internet such as, blogs, online stores, social media pages, professional services and so much more!

The ad does the work for you and with our affordable advertising plans, we are sure to find something to meet your budget! Todd only charges a one time production fee of \$50 (includes copywriting, voice over, music, and editing. Not only will the final product be compatible to run on WGOG-DB, but also terrestrial (AM/FM) stations, if you chose to gain more local exposure. Best of all, you keep the final ad and can cancel anytime... NO contracts, hidden cost, or red tape!

NUMBERS DO NOT LIE WITH DIGITAL ADVERTISING

Let me ask you a question. How many times a day do you look at your smartphone and see or hear advertising? Quite a lot right? Of course, and that is why this form of advertising works! The audience is listening from their computers, smartphones, or tablets and just a click away from your business, website, not to mention the even more secure purchasing power of buying online.

Heard enough? Then Let's talk! Contact Todd for a free consultation at toddbates@hauntedvoices.com or via the contact form at www.wgogdb.com and get started today!
