As you can see, our prices cannot be beat! You only need to possess a personal computer, Internet connections, and inexpensive Headset & Microphone. We connect you via Skype and provide online queues during your program and provide you with a call in number for your listeners. Sounds pretty simple doesn't it?

“I love my show! It's easy and fun!”

As a program host, you own all rights to your program. We even professionally record, tag and edit it for you! You can upload it to your blog or website or just share it with friends and family.

Have fun interviewing guests and even sell advertising during your program for a little extra cash!

We have been in the internet radio business over 13 years now and ready to share our tips and tricks with you... So... are you ready?

BECOMING A HOST ON WGOG-DB IS SIMPLE!

You sit back, relax and think of a program idea, fill out the provide program sheet template we send you. Read over our vocal training sheets to help you better announce while broadcasting.

We provide you one full test show and our professional hosts will critique your performance and advise you of your strengths and weaknesses. You then, promote your new show to your friends, family, and co-workers, Download the free Skype program and allow us to take care of the rest.

Its easy, it's fun, but most of all... its Affordable!
